

EXPERIENCE CAREERS IN DAIRY UNIT

Lesson 5: Veterinarian

Lesson Introduction

Every year in the fall, the Dairy Education Foundation sponsors a farm tour experience for students enrolled in the Dairy Leaders of Tomorrow program. Normally, teachers and students experience careers in dairy in-person as part of the farm tours.

In the fall of 2020, high school students were not able to participate in-person for the farm tours and career experiences. The 2020 DLT Farm Tour was held on Friday, October 9, 2020 virtually. Teachers and students were able to view careers in dairy live on YouTube Live with the opportunity to ask questions. This video of the Veterinarian at Pennwood Farms is a clip of the live recording from the October 9th, 2020 Farm Tour.
